

# Digital Revolution Awards Nomination Form – Question Prep

---

**The Digital Revolution Awards celebrate the very best individuals and businesses in the cloud ecosystem.**

With digital transformation more crucial than ever, we want to showcase the outstanding work being done in the industry and commend those making a difference to the way we live and work today and how we use cloud technology to build our tomorrow

Do you work with an outstanding cloud MVP? Know a cloud partner doing exceptional work? Developed a cloud product that's pushing the boundaries?

**Submit your nomination using this form and help us showcase the brightest cloud superstars. What's more, we'll plant a tree through our friends at [Tree-Nation](#) for every submission we receive.**

Then, in April 2023, we'll honor these cloud superstars in our awards ceremony to officially announce the winners.

But before you can proceed with your nomination, we need to get the boring bits out of the way and direct you to our [Privacy Notice](#) (this is where you'll find more information on what we do with your data) and our [Terms and Conditions](#).
